

The Legacy You Leave

**All You will leave behind for the world to remember is
Your Legacy, so ask yourself:**

*Will you have earned the respect of your peers and the
admiration of your critics?*

*Will you have acted humbly at the peak of success and
graceful in
the face of defeat?*

*Will you have kept your childlike wonder and reveled in
the
beauty of the world and the small miracles that each day
brought?*

*Will you be remembered for how often you laughed and
brought
smiles to the hearts of others?*

*Will small children and the elderly have been overjoyed to
be around you?*

Will others have trusted you with their inner most secrets?

Will you have forgiven and offered heartfelt apology?

*Will you have looked for the very best, and done your
utmost to build worth, in others?*

*Will you have fed a hungry child or clothed a naked man
or given hope to a stranger in dire need?*

*Will you have left this world a better place by the life you
have lived?*
